Join us September 22-23 in Washington, DC for NAPH's Fall Legislative Event

Health care reform is at the top of the legislative agenda for both the President and Congress. Legislation is rapidly moving forward and September is shaping up to be a critical time in Washington.

Now more than ever, community and hospital leaders need to speak out with a unified voice to assure that the interests of safety net hospitals and the communities we serve are addressed in a meaningful way.

Your Voice is Needed in Support of Public Hospitals!

- Join safety net hospital leaders and advocates from all across the country
- Learn the latest on the political landscape from Washington insiders
- Educate your Senators and Representatives on Capitol Hill
- Participate in a celebratory luncheon with NAPH's Congressional Champions

Make sure that health care reform reflects the interests of all safety net hospitals by coming to Washington, D.C. this September.

Add your voice to the debate!
